

## **DMCA Notice and Copyright Infringement Policy**

This website operates as an automated index and embed platform for adult content. We do not host, rip, or store any video files on our servers. All video content is pulled directly via data feeds/embed codes from third-party hosting platforms (such as Xvideos).

This website respects the intellectual property rights of others and expects its users and content providers to do the same. It is our policy to respond to clear notices of alleged copyright infringement that comply with the Digital Millennium Copyright Act (“DMCA”) and other applicable laws.

### **How to File a DMCA Notice**

If you believe that your copyrighted work has been copied and is accessible via an embed link on this website in a way that constitutes copyright infringement, please send a written notification to our Designated Copyright Agent containing substantially the following information:

1. A physical or electronic signature of the person authorized to act on behalf of the owner of the copyright that is allegedly infringed.
2. Identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works on a single online site are covered by a single notification, a representative list of such works.
3. Identification of the material that is claimed to be infringing or the subject of infringing activity and that is to be removed or access to which is to be disabled, and information reasonably sufficient to permit us to locate the material (you must provide the specific URLs on our website).
4. Information reasonably sufficient to permit us to contact you, such as an address, telephone number, and, if available, an email address.
5. A statement that you have a good-faith belief that the use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law.
6. A statement that the information in the notification is accurate, and under penalty of perjury, that you are authorized to act on behalf of the copyright owner.

**Action Upon Valid Notification** Upon receipt of a valid, written DMCA notice, we will investigate the claim and expeditiously disable access to or remove the specific URLs/links from our index. Please note that removing a link from our website does not remove the underlying content from the third-party host

(Xvideos). To remove the material permanently from the internet, you must contact the host directly.
